To apply for assistance, at least five people in your group must live in an area of Pima County that you think of as a neighborhood. In the city that could mean a group of people that live within 2 miles of each other. In rural areas, this could mean a town, village or district, including the Tohono O'odham and Yaqui reservations.

What are the geographic boundaries of the community that your group represents (in other words, major cross streets)?

In what Tucson Ward # _____ or Pima County District # _____ is your group/project?
(If you need this information, call the Pima County Assessor at 623-2649)

When and why did your group organize?

Have you received a grant from PRO Neighborhoods before? Yes No

If yes, please describe (when, what was it for, how did it work out):

PROJECT TIMELINE

Use the following table to outline the steps of your project. Be sure to include all the steps, not just those for which you are requesting funds. Remember that your group is expected to complete the project within one year. Assume that you will be given the award 1-2 months after the application deadline.

What work have you done in preparation for the project?	In what month did you complete these preparations?

What steps do you plan to take to complete the project?

In what month will you do these activities?

SIGNATURE PAGE (MUST HAVE AT LEAST 5 NEIGHBORHOOD RESIDENTS FROM DIFFERENT HOUSEHOLDS FOR PROJECT TO BE ELIGIBLE)

I acknowledge that I live in neighborhood, am involved in this project and, if given an award by PRO Neighborhoods, I will help complete it. If we accept PRO Neighborhoods' support, we will submit quarterly reports and complete 15 volunteer hours with the PRO Friends program within the next year.
